

Twin Tub Semi-Automatic Washing Machine

This semi-automatic washing machine features twin tubs for washing and spin-drying. Its compact design is suitable for small spaces and it is equipped with user-friendly control knobs.

Product Overview

Efficiency and Convenience

This semi-automatic twin tub washing machine is designed for efficient laundry care in compact spaces. Featuring independent wash and spin-dry tubs, it allows for simultaneous operation to save time during daily chores. Its robust plastic construction ensures long-lasting durability, while the simple control knobs provide an intuitive user experience for all settings.
