

Twin Tub Washing Machine

This compact washing machine is designed for homes with limited space. It features separate tubs for washing and spin-drying, allowing for simultaneous operation and faster laundry cycles.

Product Overview

Efficient Dual-Tub Performance

This twin tub washing machine provides a space-saving and efficient solution for handling laundry loads. By incorporating separate tubs for washing and spin-drying, the unit enables simultaneous operations, significantly reducing total cycle times. Built with a focus on durability and ease of use, it serves as a reliable appliance for compact residential environments.

Technical Specifications

Model Number	WS85-158
Configuration	Twin Tub

Key Features

Operational Advantages

- Simultaneous wash and spin-dry capability
- Space-saving compact design
- Durable heavy-duty construction
- User-friendly control interface

Suitability	Small households, Limited space, Medium loads
