

Twin Tub Washing Machine

This twin tub washing machine is designed for efficient laundry. It features separate washing and spin-drying tubs, allowing for simultaneous operation.

Product Overview

High-Efficiency Twin Tub Laundry Solution

This twin tub washing machine offers a robust and efficient solution for large-scale laundry needs, featuring a generous 10.0kg wash capacity and a 6.8kg spin capacity. Designed with a durable double-layer construction, it allows for simultaneous washing and spinning to maximize throughput. It is a versatile choice for commercial or residential environments requiring reliable, manual-control laundry performance.
