

Twin Tub Washing Machine

This twin tub washing machine has separate tubs for washing and spin-drying. It features a durable plastic body and user-friendly controls, designed for small to medium-sized laundry loads.

Product Overview

Efficiency Meets Compact Design

This twin tub washing machine is designed to offer professional-grade efficiency in a compact footprint. By providing separate tubs for washing and spin-drying, it allows for streamlined laundry management and multitasking. Its durable plastic construction ensures longevity while remaining lightweight for easy placement in various environments.

Technical Specifications

Machine Type	Twin tub washing and drying machine
Body Material	Durable plastic
Model Variants	NO.982, NO.984, NO.987, NO.988

Performance

Key Operational Features

- Separate tub for washing
- Separate tub for spin-drying
- Adjustable wash cycles
- Adjustable spin cycles

Capacity Suitability

Small loads • Medium loads
