

Twin Tub Washing Machine

This twin tub washing machine has distinct washing and spin-drying tubs. It is made with durable plastic and steel, and includes control knobs and a viewing window.

Product Overview

Professional Twin Tub Washing Machine

This twin tub washing machine is engineered for efficiency and durability in demanding environments. Featuring separate dedicated tubs for washing and spin-drying, it allows for streamlined laundry cycles. Constructed from high-quality plastic and steel components, it ensures long-term operational reliability. User-friendly control knobs and a clear viewing window allow operators to monitor and manage wash and spin cycles with precision.
