

Twin Tub Washing Machine, 9.0 kg Capacity

This twin tub washing machine is designed for efficient and convenient laundry. It features separate tubs for washing and spin-drying, allowing for simultaneous operation.

Product Overview

Efficient Twin Tub Laundry Solution

The XPB90-822S-E9 is a reliable twin tub washing machine engineered for efficient and convenient laundry management. Featuring independent tubs for washing and spin-drying, this model allows for simultaneous operation to save time on medium-sized laundry loads. Its durable construction and compact footprint make it a practical choice for environments where space is at a premium.
