

Twin Tub Washing Machine

This twin tub washing machine is designed for household use and features separate washing and spin-drying compartments. Its compact design is suitable for smaller spaces.

Product Overview

Compact Twin Tub Efficiency

This twin tub washing machine offers a versatile and space-saving solution for households, dorms, and apartments. Featuring separate washing and spin-drying compartments, it allows for efficient garment care in a compact footprint. Designed with durability in mind, the unit provides user-friendly controls alongside high water efficiency to ensure both cost-effectiveness and reliable performance.

Technical Specifications

Model Number	XQB55-662S
Design Type	Twin Tub, Compact, Dual Compartment

Performance Metrics

Performance Advantages

- Separate wash and spin-dry tubs
- Water-efficient operation
- Durable construction
- Space-saving compact design
