

Twin Tub Washing Machine with Adjustable Timers

This twin tub washing machine has separate tubs for washing and spin-drying. Adjustable wash and spin timers allow for customized cycles.

Product Overview

Efficient Laundry Solution

This twin tub washing machine is engineered for efficiency and convenience, featuring independent tubs for washing and spin-drying. Its compact design makes it an ideal laundry solution for smaller spaces without sacrificing performance. Equipped with adjustable timers for both cycles, it offers customized care for various fabric types and soil levels.
