

Twin Tub Washing Machine with Mechanical Timer

This twin tub washing machine provides efficient and compact laundry solutions. It features separate washing and spin-drying tubs, mechanical timer controls, and a durable plastic body.

Product Overview

Compact Laundry Solution

This twin tub washing machine is engineered for efficiency in space-constrained environments such as apartments and dormitories. It features a dual-tub design that allows for simultaneous washing and spin-drying, significantly reducing laundry time. The robust plastic construction ensures longevity while maintaining energy and water efficiency.
