

Twin Tub Washing Machine with Spin Dryer

This twin tub washing machine is designed for efficient washing and drying. It features separate tubs for washing and spin drying, offering convenience and time-saving operation.

Overview

Efficient Twin Tub Solution

This twin tub washing machine is designed to deliver efficient cleaning and drying results in a compact footprint. By utilizing separate tubs for washing and spin drying, it offers significant time savings and operational convenience for the user. Its durable construction is built for long-lasting performance, making it a reliable choice for environments where space is at a premium.

Technical Specifications

Model Number	XQB70-667S
Design Features	Twin Tub Design, Separate Spin Dryer, Compact Size, Durable Construction

Operational Features

Ease of Use

- User-friendly control interface
- Simplified washing and drying workflow
- Space-saving form factor
