

Twin Tub Washing Machine with Spin Dryer

This twin tub washing machine features separate washing and spin-drying tubs. It has timer controls for both washing and spinning cycles and is constructed with a durable plastic body.

Product Overview

Efficient Dual-Tub Cleaning Solution

This twin tub washing machine offers a practical, dual-function design featuring separate washing and spin-drying compartments. Equipped with a powerful pulsator, it ensures thorough cleaning while the dedicated spin tub provides efficient water extraction. Built with a durable plastic body and a sturdy base, this unit is designed to meet standard household laundry requirements with ease.
