

Two-Burner Black Glass Gas Cooktop

This gas cooktop features two burners for efficient heat distribution. Its black glass surface is easy to clean and adds a modern touch to any kitchen.

Product Overview

Modern Kitchen Efficiency

This two-burner gas cooktop features a sleek, durable black glass surface that combines modern aesthetics with practical functionality. Designed for professional and home kitchens alike, it offers two distinct burners for versatile cooking tasks. The tempered glass construction ensures easy cleaning, while the robust burner grates provide stable support for a wide range of cookware.
