

Two-Burner Black Tempered Glass Gas Hob

This gas hob features two high-efficiency burners, each controlled by a dedicated knob. The smooth black tempered glass surface is easy to clean and maintain.

Overview

Modern Performance and Safety

This two-burner gas hob combines a sleek, minimalist aesthetic with robust cooking performance. Featuring a durable black tempered glass worktop and high-efficiency triple flame burners, it is designed for both style and utility. With integrated safety features like flame failure protection and convenient underknob auto-ignition, this unit offers a reliable and user-friendly cooking solution for professional or modern home kitchens.
