## Product Overview

### High-Performance Dual-Burner Cooktop

This two-burner gas cooktop is engineered for modern kitchen environments, combining durability with efficient heat distribution. Featuring a robust stainless steel body and cast iron base, it offers reliable performance for everyday cooking needs. The design prioritizes ease of installation and maintenance, making it a practical choice for professional or residential settings.

## Technical Specifications

### Energy Efficiency Level

Level 2

Model Number JZY/T- Q1608(G)

Thermal Efficiency 59 %

## Performance Metrics

### Rated Heat Input

**4.5 kW**

Natural Gas (NG)

**4.3 kW**

LPG

## Design & Construction

Base Material	Cast iron
Body Material	Stainless steel
Ignition Type	Pulse ignition
Dimensions (L×W×H)	710 × 400 × 150 mm

## Compatibility

Supported Gas Types

Natural Gas (NG), LPG
