

Two-Door Compact Refrigerator with Floral Design

This compact refrigerator features a two-door design with a top freezer compartment and a bottom refrigerator section. It is designed for efficient cooling and space-saving convenience.

Product Overview

Compact Cooling Solution

This two-door compact refrigerator combines efficient cooling performance with a unique aesthetic appeal. Designed for modern living spaces, it features a convenient top freezer and a spacious bottom refrigerator section. The exterior is finished in clean white and complemented by a subtle floral pattern, making it a functional yet decorative addition to any compact kitchen.
