

Two-Door Home Refrigerator with Floral Design

This two-door refrigerator is designed for modern household use, providing both refrigeration and freezer compartments. Its glossy exterior is decorated with pink floral patterns, adding an aesthetic touch.

Product Overview

Stylish Cooling Solution

This two-door home refrigerator combines reliable cooling performance with a distinct aesthetic appeal. Featuring a vibrant red finish adorned with elegant floral patterns, it serves as a functional and decorative centerpiece for any modern kitchen. The unit is designed with separate freezer and refrigeration compartments to ensure optimal food storage and organization.
