

Two-Door Household Refrigerator with Floral Design

This refrigerator features a two-door design, with a glossy red finish and floral accents. The appliance also includes a digital display panel.

Product Overview

Modern Floral Two-Door Refrigerator

This modern two-door household refrigerator combines efficient cooling performance with an aesthetic floral design. Featuring a glossy finish and an integrated digital display, it offers a sophisticated look suitable for any contemporary home environment. The spacious dual-door layout ensures convenient access to both freezer and fresh food compartments.
