Two-Door Refrigerator

This refrigerator has two doors and a stainless steel finish. It features high-density foam insulation, interior lighting, and an optimized cooling system.

Product Overview

Professional Two-Door Refrigerator

The YiYa series refrigerator offers efficient cooling performance in two distinct capacity models. Featuring a durable stainless steel finish, these units are engineered with high-density foam insulation and an optimized cooling system to maintain food safety. Designed for reliability, the refrigerator includes advanced features like rapid cooling and overflow protection to meet the demands of professional environments.

Technical Specifications

Model Variants

- BCD-135
- BCD-165

Door Panel Material	Shiny Silver Steel (EMS)

Features

Key Highlights	Rapid Cooling, Overflow Protection, High-Density Foam, Adjustable Shelving, Removable Seals

Efficiency

Energy Efficiency Class

Tier 1 Energy Efficiency
