Product Overview

Modern Cooling Excellence

This two-door top-freezer refrigerator combines a sleek, modern flat finish with advanced electrical temperature control for precise cooling performance. Designed with energy efficiency and low noise operation in mind, it provides a professional-grade solution for food preservation. Features such as a humidity-controlled crisper, adjustable shelving, and a flexible reversible door make it a versatile choice for a wide variety of installation environments.

Technical Specifications

TRF-465WEXA+

TRF-465WEXA+	
Class	SN/ST/T
Energy Class	A+
Net Volume	462 (362 + 100)
Dimensions (W x D x H)	706/666/1920 (without handle)
Load Capacity	40KG (5)

- Counter Depth
- Electrical control
- Energy saving and low noise
- Reversible door
- Modern Design+Flat Finishing
- Interior light
- Adjustable front feet
- Better Humidity Controller
