

Two-Door Top-Freezer Refrigerator with Floral Design

This two-door refrigerator features a top freezer compartment and a bottom refrigerator section. The exterior is decorated with stylized floral patterns in shades of lavender and gray.

Product Overview

A Fusion of Aesthetics and Functionality

This two-door top-freezer refrigerator combines essential cooling performance with a distinct aesthetic appeal. Featuring an elegant floral design in lavender and gray, it serves as a functional statement piece for modern kitchens. The dual-compartment layout provides intuitive organization, separating frozen goods from fresh produce for optimal storage efficiency.
