

Two-Slice Stainless Steel Toaster

This toaster features a stainless steel housing with plastic trims. It offers variable browning control, reheat and defrost settings, and a removable crumb tray.

Product Overview

Professional Quality Two-Slice Toaster

This premium two-slice toaster features a robust stainless steel housing complemented by durable plastic trims for a modern look. Engineered for versatility, it includes dedicated settings for defrosting, reheating, and bagel toasting, each with helpful illuminations. The unit prioritizes safety and convenience with automatic shutoff and a removable crumb tray for easy maintenance.
