Product Overview

Professional Performance and Durability

This two-speed cordless drill features a high-performance brushless motor designed for longevity and superior output. With 20+1 torque settings and an integrated LED light, it provides the precision needed for complex tasks in low-light environments. The tool includes ECP protection to ensure battery longevity and a comfortable ergonomic grip for extended usage.

Technical Specifications

| | |
|-----------------|----------------------|
| Rated Voltage | 18 V |
| Torque Settings | 20+1 |
| Maximum Torque | 30 N/m |
| Chuck Capacity | 0.8-10mm |
| No Load Speed | 0-350 / 0-1200 r/min |

Power Options

Compatible Battery Capacities

- 1.3Ah
- 1.5Ah
- 2.0Ah
- 2.5Ah
- 4.0Ah
