

Two-Tier Electric Food Steamer

This electric food steamer has two transparent tiers and a dome lid. It features a timer knob on the white base.

Product Overview

Efficient Two-Tier Steaming Solution

This electric food steamer features a versatile two-tier design, allowing for simultaneous preparation of different food items. Equipped with a user-friendly timer knob on the base, it offers precise control for steaming vegetables, corn, eggs, and more. The transparent tiers and dome lid ensure easy monitoring of the cooking process while maintaining optimal heat circulation.
