

Two-Tone Household Cleaning Glove

This glove features a dual-material construction, with a rubberized upper and a softer hand portion. It is suitable for various cleaning and household tasks.

Product Overview

Versatile Household Protection

These two-tone household cleaning gloves are designed for comfort and utility in various domestic tasks. Featuring a distinct color-coded design, the glove combines a durable upper cuff with a flexible hand section to ensure ease of use. Ideal for cleaning, washing, and general household maintenance, these gloves provide a reliable barrier for daily chores.
