

Ultra-Thin 65-inch TV Wall Mount

This ultra-thin TV wall mount is designed for 65-inch TVs, allowing for a minimal gap from the wall. Its tested construction ensures secure mounting while maintaining a modern aesthetic.

Product Overview

Ultra-Thin Full-Motion Bracket

This ultra-thin, full-motion wall mount is engineered for screens ranging from 32 to 65 inches, offering a sleek, low-profile aesthetic. With a minimal wall clearance of just 35mm, it provides an integrated, near-invisible look while maintaining robust support for displays up to 40kg. The design features a specialized damped shaft and torsion spring system, allowing for intuitive, tool-free angle adjustments for optimal viewing comfort.
