Overview

Ultrasonic Aroma Diffuser and Humidifier

This versatile ultrasonic aroma diffuser and humidifier is designed to enhance indoor air quality while providing a soothing aromatic experience. Utilizing advanced ultrasonic vibration technology, it efficiently disperses water and essential oils into a fine mist, making it ideal for homes and offices. With multiple timer settings, adjustable LED lighting, and a compact design, this device offers a customizable and relaxing environment for any space.

Physical Specifications

Dimensions	110 x 154 mm
Weight	220 g
Construction Materials	PP (Water Tank), PP (Base), ABS (Lower Body)

Performance

Key Performance Metrics

300 ml Tank Capacity	15 sqm Max Coverage	2.4 MHz Vibration Frequency
--------------------------------	-------------------------------	---------------------------------------

Timer Options

- 60 minutes
- 180 minutes
- 360 minutes
- Continuous (On)

Electrical

Power Requirements

Parameter	Value
Input Power	AC 100-240V 50/60Hz
Output Power	DC 24V 650mA
Rated Consumption	14.4W
Main Body Consumption	10W

Features

LED Lighting Modes

High White • Low White • High Red • Low Red • High Green • Low Green • High Blue • Low Blue

Compliance

Certifications	CE, FC, RoHS
