

Umbrella Patterned PVC Floor Mat

This PVC mat is designed for household use, featuring an umbrella pattern. Its ribbed texture enhances grip and water resistance, making it suitable for high-traffic areas.

Product Overview

Durable Umbrella Patterned PVC Floor Mat

This durable PVC floor mat features a unique and stylish umbrella pattern in elegant blue and purple tones. Engineered for high-traffic environments, it utilizes a ribbed texture to provide superior grip and moisture resistance. The mat serves as an excellent protective layer against dirt and scratches, making it a functional and decorative addition to hallways and entryways.
