Product Overview

Universal Air Vent Smartphone Holder

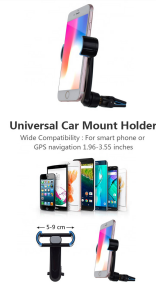

This versatile car mount is designed for secure, one-handed operation, allowing drivers to maintain focus on the road while accessing navigation or hands-free calls. Featuring a 360-degree rotating ball joint, it offers flexible viewing angles and is compatible with all standard air vent types. Built from a durable blend of ABS, silicone, and aluminum alloy, it provides a stable, anti-slip, and shockproof mounting solution for most modern smartphones.
