Product Overview

Versatile Global Travel Solution

This compact universal travel adapter is designed for international professionals, featuring 5 foldable plugs and an additional side socket to meet diverse power demands. It supports high-speed charging via Type-C PD 3.0 and USB-A QC 3.0 ports, ensuring rapid power delivery for modern mobile devices. Built with fire-proof PC material and integrated child safety shutters, this adapter prioritizes user safety while maintaining maximum compatibility with global power outlets.
