

Urban Commuter Motorcycle

This motorcycle is designed for urban commuting. It features a step-through frame, rear storage compartment and standard street tires.

Overview

Designed for the Modern Commuter

This urban commuter motorcycle is engineered for efficiency and convenience in busy city environments. Featuring a sleek, modern aesthetic with a practical step-through frame, it allows for easy mounting and dismounting. Equipped with integrated rear storage and essential safety features like side mirrors, this vehicle is built to streamline your daily transit.
