

Urban Commuter Scooter

This scooter is ideal for navigating city streets. It features a step-through frame, single headlight, and integrated turn signals.

Overview

Urban Commuter Scooter

The Urban Commuter Scooter is designed specifically for efficient city travel, featuring a comfortable step-through frame for easy mounting and dismounting. Equipped with integrated safety features like a front disc brake and turn signals, it offers a reliable and agile solution for daily commuting. Its stylish tan and black finish, combined with practical components like chrome mirrors, makes it a versatile choice for modern urban environments.
