

Urban Electric Step-Through Scooter with Storage

This electric scooter is designed for urban transportation. It features a step-through frame, a front fairing, and a rear storage box for carrying items.

Product Overview

Urban Mobility Redefined

The Urban Electric Step-Through Scooter is designed specifically for efficient, short to medium-distance urban commuting. Featuring a convenient step-through frame for easy mounting and dismounting, it includes a practical rear storage box for transporting your essentials. Its vibrant red and white design ensures visibility, while the integrated front fairing and rearview mirror enhance rider safety and comfort in busy city environments.
