Product Overview

Versatile Multi-Purpose Grinder & Power Bank

This innovative multi-purpose device serves as a high-performance electric herb and spice mill, featuring a 20,000 rpm motor and a double-leaf stainless steel blade for consistent, fine grinding. Beyond its primary grinding function, it integrates a 2000mAh rechargeable battery that acts as an emergency power bank for mobile devices. Designed for convenience and safety, the unit includes an automatic 40-second shut-off feature and smart LED status indicators for both grinding and charging operations.

Technical Specifications

Motor Speed	20000 rpm
Battery Capacity	2000 mAh
Automatic Grind Cycle	40 seconds

Dimensions and Material

Dimensions

1.7 inch
Diameter

8.23 inch
Height

Materials

Aluminium, Stainless Steel

Features and Safety

Safety Compliance

- Automatic 40-second shut-off
- Smart LED input/output status reminder
- Safety chip control
- Emergency power bank usage only

Charging Restrictions

Restriction

Not for devices with input below 50mA

Does not support Qualcomm Quick Charge

Not for long-term usage
