Product Overview

High-Performance Fast Charging Cable

This premium USB Type-C braided cable is engineered for rapid 3A charging and reliable high-speed data synchronization. Designed for professional and personal use, it features a tangle-free nylon exterior and enhanced aluminum housing to withstand over 10,000 bending cycles. With its robust construction and wide compatibility, this cable offers a durable solution for modern USB-C enabled devices, including smartphones, tablets, and game controllers.

Technical Performance

Max Charging Output

3 A

Rated Current

Data Transfer Speed 480 Mbps

Cable Length 6.6 ft

Construction & Durability

Bending Test Cycles 10000

Materials Nylon Braided, Aluminum Housing, Gold-Plated Contacts

Compatibility

Compatible Devices

- PS5 Wireless Controller
- Samsung Galaxy S/Note Series
- Moto Z/Z2
- LG G5/G6/V20/V30
- USB-C enabled smartphones & laptops

Features

Safety Certifications

Certified Safety • Electronic Safety Compliant
