

USB Type-C Charging and Data Cable

This USB Type-C cable supports rapid charging and efficient data syncing. It features a USB Type-C connector on one end and a standard USB-A connector on the other.

Product Overview

High-Performance USB Type-C Connectivity

This USB Type-C charging and data cable is designed for fast, reliable performance in demanding environments. Engineered for versatility, it supports both efficient power delivery and high-speed data transfer between compatible devices. The durable construction features a robust cable design with reinforced connectors to ensure longevity and consistent connectivity for smartphones, tablets, and mobile hardware.

Technical Specifications

Design Features

- High-durability cable sleeve
- Reinforced connector housings
- Reliable data synchronization
- Fast charging support

Connector Configuration

USB Type-C, USB-A

Compatibility

Supported Devices

- Smartphones
- Tablets
- USB-C compatible peripherals

Physical Attributes

Coloring

Black Cable • Red Connectors
