

Utility Cargo Tricycle

This tricycle is designed for utility and transport purposes. It features a motorcycle-style front end and a cargo bed in the rear.

Product Overview

Rugged Utility Cargo Tricycle

This utility tricycle is engineered for reliable heavy-duty transport in demanding commercial environments. Featuring a stable three-wheel design with a motorcycle-style front end, it offers excellent maneuverability and control for drivers. The reinforced rear cargo bed provides a secure platform for transporting goods, making it an ideal solution for short-haul delivery, logistics, or industrial site maintenance.
