

# Utility Motorized Tricycle with Cargo Bed

This motorized tricycle is equipped with a cargo bed for efficient transport of goods. Its robust design includes a front headlight, blue windshield, and red shock absorbers for enhanced utility.

## ADDITIONAL IMAGES

## Product Overview

### Robust Utility Motorized Tricycle

Designed for demanding heavy-duty tasks, this motorized tricycle features a durable metal-framed cargo bed and a resilient suspension system. Its high-capacity build makes it an ideal solution for logistics, material transport, and commercial utility needs. The vehicle combines mechanical reliability with a practical design, ensuring performance in challenging work environments.

## Technical Specifications

### Standard Toolkit

- Screwdriver
- Socket wrench
- 12mm open-end wrench
- 17mm open-end wrench
- Tool storage pouch
