

UTP CAT6 Ethernet Cable

Unshielded Twisted Pair (UTP) Category 6 (CAT6) cable is designed for high-speed data transmission. It features eight color-coded conductors twisted into four pairs to reduce interference and crosstalk.

Product Overview

High-Performance Data Connectivity

This Unshielded Twisted Pair (UTP) Category 6 cable is engineered for reliable, high-speed data transmission in professional networking environments. Designed to minimize interference and crosstalk, the cable supports Gigabit Ethernet applications, making it an ideal choice for connecting routers, switches, and workstations. Its durable construction ensures long-lasting performance for data, voice, and video signaling needs.

Technical Specifications

Transmission Capabilities

250 MHz
Bandwidth

1 Gbps
Data Rate

Video Transmission Performance

Conductor Diameter	Max Distance
0.56mm CCA	160
0.5mm CCA	150
0.45mm CCA	140

Cable Category	CAT6
Shielding	UTP (Unshielded Twisted Pair)
Conductor Material Options	CCA, BC

Customization Options

Available Jacket Colors

- Grey
- White
- Blue
- Yellow
