

Valve Cover Gasket Set for Honda CRV

This valve cover gasket set is designed for Honda CRV vehicles. The set includes the main valve cover gasket, spark plug tube seals, and various O-rings and washers necessary for a complete valve cover reseal.

Product Overview

Complete Engine Sealing Solution

This valve cover gasket set is specifically engineered for Honda CRV vehicles, providing a comprehensive solution for engine resealing. The kit includes the main valve cover gasket along with necessary spark plug tube seals, O-rings, and washers to ensure a tight, leak-free environment. Designed to withstand the high temperatures and pressures of the engine compartment, these components help maintain optimal engine performance and prevent oil leaks.

Compatibility & Identification

Part Number	06110-PNB-000
Compatible Vehicle	Honda CRV

Kit Contents

Included Components

- Main valve cover gasket
- Spark plug tube seals
- O-rings
- Washers

Performance Features

Key Benefits	High-temperature resistance, Pressure durability, Leak-free seal, Engine performance maintenance
