Product Overview

Precision Brewing Excellence

This electric gooseneck kettle is designed for coffee and tea enthusiasts who demand precision. Featuring a 100% 304 stainless steel body and a sophisticated matte black glass-touch heating base, it combines durability with modern aesthetics. The smart variable temperature control system allows for precise adjustments, ensuring optimal brewing conditions for every cup.

Technical Specifications

Power Requirements

Certification	Voltage/Frequency	Power
CE/CB/GS/SGS	220v-240v / 50-60hz	1000W
ETL/SGS	120v / 60hz	1000W
3C	220v / 50hz	1350W

Model Number CPC001A-06

Capacity 800 ml

Net Weight 1.8 kg

Design & Materials

Dimensions

- Whole: 318 x 233 x 205 mm
- Kettle: 318 x 167 x 170 mm
- Base: 233 x 210 x 34 mm

Construction Materials 304 Stainless Steel, BPA-free Bakelite, PP Base, Tempered Glass

Features

Key Features

Variable Temperature Control • Gooseneck Spout • Touch-screen Interface • Strix Thermostat • Temperature Memory Function
