Product Overview

Professional Grade Electrical Tool Set

This VDE certified tool set is engineered for safe operation on live electrical components up to 1000V. Crafted from high-strength 60CrV steel and high-grade 60CRNIMOV steel, these tools provide the durability and precision required for professional electrical maintenance. Each piece undergoes rigorous 10,000V testing to ensure compliance with strict safety standards.

Technical Specifications

Voltage Rating	1000 V
Pliers Material	60CrV Steel
Screwdriver Material	60CRNIMOV Steel
Screwdriver Hardness	HRC 52-58
Safety Standards	VDE Certified, 10000V Tested, Insulated Handle

Set Contents
