Product Overview

Rugged Front-End Protection

This heavy-duty grille guard is engineered to provide superior front-end defense for vehicles against road debris, brush, and minor impacts. Constructed from robust steel tubing with a durable black powder-coated finish, it ensures long-lasting resistance to corrosion and scratches. The design seamlessly integrates with the vehicle's aesthetic while offering practical utility, including pre-drilled mounting points for auxiliary lighting solutions.

Construction & Design

Material	Heavy-duty steel tubing
Finish	Black powder-coated
Design Features	Wraparound design, Headlight protection, Grille protection, Radiator protection

Installation & Compatibility

Installation	Bolt-on (no drilling required)
Fitment	Custom fit

Features

Key Benefits

- Enhanced front-end impact resistance
- Corrosion-resistant finish
- Improved off-road visibility options
- Aggressive aesthetic upgrade

Auxiliary Light Support	Yes
