

Vintage Cartoon Bicycle Bell

This vintage bicycle bell features a chrome-plated finish and a classic cartoon character graphic. It easily mounts to bicycle handlebars with a metal clamp and screw fastener.

Product Overview

Nostalgic Design Meets Functionality

This vintage-style bicycle bell combines classic aesthetics with reliable functionality, featuring a charming cartoon character graphic on its dome. Constructed from durable chrome-plated metal, it offers both a distinct visual appeal and a clear, audible ring to enhance rider safety. Designed for easy installation, it includes a secure metal clamp system suitable for standard bicycle handlebars.
