

Vintage CRT Television Set

This is a vintage cathode ray tube (CRT) television set with a silver chassis. It features integrated speakers and a row of front panel buttons.

Product Overview

Vintage Aesthetic and Functionality

This vintage cathode ray tube (CRT) television set offers an authentic retro visual experience with its classic chassis design. Featuring integrated side speakers and a dedicated tactile control panel, it provides the nostalgic aesthetic highly sought after by collectors and retro-media enthusiasts. Its robust construction reflects the iconic build quality of late 20th and early 21st-century electronics.
