

# Vintage Style Oscillating Table Fan

This vintage-style table fan features a circular metal cage and wooden-look blades. The oscillating function and sturdy base provide both style and functionality to any room.

## Product Overview

### Classic Design Meets Modern Comfort

This vintage-style oscillating table fan combines timeless aesthetics with reliable cooling performance. Featuring a distinctive circular metal cage and elegant wooden-look blades, it serves as both a functional appliance and a sophisticated decorative piece. Its sturdy base ensures stability, making it an ideal addition to offices, living rooms, or study areas seeking a touch of classic charm.
