

# Vintage-Style Wooden Wall Clock with Roman Numerals

This retro-style wall clock features a wooden face with Roman numeral hour markers and a black metal frame. The clock's design evokes a vintage aesthetic, suitable for home or office decor.

## ADDITIONAL IMAGES

## Product Overview

### Vintage-Inspired Timepiece

This vintage-style wall clock combines a rustic wooden face with a durable black metal frame to create a timeless aesthetic suitable for any home or office. Featuring classic Roman numerals and a distressed finish, it serves as both a functional timepiece and an elegant decorative accent. Its industrial design elements, such as rivet-style accents, add a touch of authentic character to your interior space.
