

Vintage Wooden Mantle Clock with Roman Numerals

This is a vintage-style wooden mantle clock. It features a classic design with Roman numeral dial, decorative pendulum, and ornate details.

Product Overview

Timeless Elegance

This vintage wooden mantle clock serves as a sophisticated centerpiece for any interior, combining classic aesthetics with traditional craftsmanship. Featuring a rich, dark wood finish and ornate detailing, it brings a touch of historical charm to bookshelves, fireplace mantels, or desks. The dial is highlighted by traditional Roman numerals and protected by a durable glass cover, ensuring a perfect balance of style and longevity.
