

VW Golf 5 Headlight Assembly (2005-2010)

High-performance headlamp assembly designed for VW Golf 5 models manufactured between 2005 and 2010. Features a durable lens for optimal light projection and clarity.

Product Overview

Premium Headlight Assembly for VW Golf 5

This high-performance headlight assembly is meticulously engineered for compatibility with models produced between 2005 and 2010. Constructed from durable ABS and PC materials, it ensures long-lasting clarity and robust light projection. The unit features a projector lens for focused light output, significantly enhancing visibility and safety for nighttime driving. Designed as a direct replacement for factory equipment, this assembly offers a sleek, modern aesthetic with blacked-out housing for a professional, upgraded look.
