

Walk-Behind Gasoline Lawn Edge Trimmer

This walk-behind lawn trimmer features a triangular disc knife for creating clean lawn edges. Its cutting depth is adjustable via a mechanism on the handle frame.

Product Overview

Professional Lawn Edge Trimmer

The Walk-Behind Gasoline Lawn Edge Trimmer is a robust and efficient tool designed for creating clean and precise edges along lawns, sidewalks, and flowerbeds. Powered by a high-performance gasoline engine, this trimmer offers exceptional cutting power and maneuverability for both residential and commercial applications. With its ergonomic handle, sturdy wheels, and adjustable cutting depth, it delivers professional-quality results with minimal effort.
