Product Overview

Versatile Agricultural Solution

This walking tractor is engineered for diverse terrain, including muddy, mountainous, and terrace fields. It features a patented design with high ground clearance and a stepless wheel tread regulation system to accommodate various farming conditions. Compatible with a wide array of implements like tillers, plows, and seeders, it serves as a multipurpose machine for small to medium-scale operations.

Key Features

| | |
|-----------------------|---|
| Working Terrain | Muddy Land, Mountainous Land, Plain, Terrace Fields |
| Compatible Implements | Plough, Tiller, Trailer, Sprayer, Seeder |

Technical Specifications

Performance Comparison Table

| Model | Power (HP) | Weight (kg) | Clearance (mm) |
|--------|------------|-------------|----------------|
| QLN111 | 11 | 300 | 205 |
| QLN121 | 12 | 336 | 230 |
| QLN151 | 15 | 405 | 260 |
| QLN181 | 18 | 365 | 241 |

Engine Metrics

| | |
|--------------------------------|---|
| 4 cycle Stroke Count | 245 g/kw*h Min Fuel Consumption |
|--------------------------------|---|

| | |
|--------------|------------------------------------|
| Transmission | F6+R2 (6 Forward, 2 Reverse gears) |
|--------------|------------------------------------|
